

We at Lee Valley Golf Club are very proud to announce our 54 Hole Senior Scratch Cup taking place on March 27th and 28th 2010. After such a successful inaugural Senior Scratch Cup in 2009 won by Shane Lowry whom as we know went on to win The 3 Irish Open and now learning his trade on the European Tour we can assure you that this years event will be no different. The feed back from last years event from players and spectators was tremendous.

Over the last 10 years Lee Valley has matured beyond recognition. The Christy O' Connor Jr. design is now reaching it's full potential and at over 6,800 yards is a stern test for the most accomplished of golfers. The hospitality offered at Lee Valley is renowned throughout Munster and is a reflection of the work put in by the owners, the Keohane family.

As a participant we would like to extend an invitation for you to play a practice round prior to the event.
